

Delaware Valley Engineers Week

SPONSORSHIP OPPORTUNITIES

Engineers have helped build our nation since its founding. Engineers are essential for building and maintaining the systems that protect our health and safety, restore and protect our environment, make our factories run and contribute to our economic future.

National Engineers Week was established in 1951 to help increase public understanding of the engineering profession. In the Delaware Valley, Engineers Week programs have been held since 1953. The programs are sponsored by a coalition of engineering societies, government agencies, universities and major corporations representing thousands of engineers. Your support through volunteering and/or sponsorships is important to the celebration of the engineering profession.

Engineers Week is a strong venue to inform our citizens of the value of engineers, celebrate engineering technology and innovation, and cultivate interest in math, science and engineering among the nation's youth – tomorrow's work force.

The Engineers Week Committee of the Engineers' Club of Philadelphia sponsors the Delaware Valley Engineers Week programs on behalf of the area's engineering and technical societies. The events and activities are supported by major corporations and individuals as well as participating societies and universities. All committee members are volunteers.

Further details on these events and the award recipients will be posted on www.dvewc.org as they become available.

We need your help in supporting the many activities and programs of Delaware Valley Engineers Week and in making the upcoming Engineers Week a success.

Besides the monetary donations, the Club also recognizes other ways of contributing. We always welcome individuals that are interested in volunteering their time to assist in any of the Delaware Valley Engineers Week programs. We also encourage your company's participation in activities that celebrate and promote the engineering profession, not just during Engineers Week, but also throughout the year.

If you have any questions or you would like to receive further information concerning any of the Delaware Valley Engineers Week activities, please call 215-985-5701 or email contact@engrclub.org.

Engineers' Club of Philadelphia
Founded in 1877

All funds contributed will be used exclusively for the celebration of Delaware Valley Engineers Week.
