

SPEAKERS BUREAU AND TECHNICAL CONTACT INFORMATION FORM

The Engineers' Club is developing a list of potential speakers. This could be for student outreach purposes at career days, etc., on a specific technical, management, or business topic that you would be willing to share with other technical societies, or in response to requests from the press for comment on a technical topic.

If you are interested, please complete the form below and return to sbest@engrclub.org or send to the Club by fax or USPS as noted above.

First	MI	Last	Suffix (Jr., PE)		
Company					
Address 1					
Address 2					
City			State	Zip	
Preferred Email			Work	Home	
Alternate Email			Work	Home
