

## ENGINEERING RELATED SOCIETY KEY CONTACT UPDATE FORM

Suggested society roles to include are ECP Liaison, President, Secretary, Newsletter Editor, Webmaster. It is recommended that the Primary Contact be someone who would continue in that role for several years to provide some continuity. An additional form can be used if needed.

Please return by email to [contact@engrclub.org](mailto:contact@engrclub.org) or USPS as noted above. The society name will be included on our list of Engineering Society Contacts at [http://engrclub.org/affiliates/societies\\_list.html](http://engrclub.org/affiliates/societies_list.html), with a link to the association website.
